I apologize for the late response Rebecca. I sent your question to our headquarters, but am awaiting a response. I am not the USDA contact. I'm not sure if a Department level contact has been identified. However, Mark Rose is the lead contact for NRCS. You may have to reach out to FSA, RD, and other agencies individually to get their agency leads. However, if there is anything you need from NRCS, please be sure to reach out to Mark and you may copy me if there is something you need here locally. I am the lead State Conservationist for Navajo Nation. Hope this helps.

Importance: High

Keisha,

Kerry Drake from Region 9 said that you are the USDA contact for the Gold King Mine response. Can you confirm?

•□□□□□□□ If so, can you provide a phone # we can reach you? Also are you in Durango, CO currently?

•□□□□□□□ If not, do you know who from USDA or NRCS is the appropriate contact for agricultural questions from your Agency?

Thanks!

Rebecca Perrin
